

PRAKHAR VASHISHTHA

prakhurvashishtha100@gmail.com | +918979077740 | Gurgaon India

Summary

- Frontend Developer with 7+ years of experience building enterprise-scale web applications using React.js, JavaScript (ES6+), TypeScript, HTML5 and CSS3. Experienced in developing reusable component libraries, integrating REST APIs, improving application performance, implementing responsive UI, and collaborating with cross-functional Agile teams.

Skills

- **Languages:** HTML5, CSS3, JavaScript (ES6+), TypeScript
- **Frameworks & Libraries:** React.js, Next.js, Redux, React Hooks, Context API, Formik, Axios, Node.js, Express.js, Jest, React Testing Library
- **Styling:** Tailwind CSS, Bootstrap, Material UI, Sass, Less
- **Code Management & Others:** Git, CI/CD, Agile Methodologies, VS Code, AEM (Basics)
- **Core Concepts:** Component-Based Architecture, Responsive Web Design, Cross-Browser Compatibility, Performance Optimization, Reusable Components, State Management, SEO Best Practices, Accessibility

Experience

- 10/2022 - Current
Infosys
Gurgaon, India
Frontend Developer
 - Developed responsive web applications using React.js, JavaScript (ES6+), HTML5, CSS3, TypeScript, Jest, and React Testing Library.
 - Ensured clean, valid HTML and CSS markup conforming to industry standards.
 - Integrated RESTful APIs using Axios to retrieve and display dynamic application data.
 - Participated in code reviews and maintained coding standards.
 - Optimized application performance through code optimization, efficient rendering techniques, and reusable component architecture.
 - Participated in Agile ceremonies including sprint planning, daily stand-ups, backlog grooming, and sprint reviews.
- 01/2021 - 10/2022
Gyanwave IT
Consultancy
Noida, India
Frontend Developer
 - Developed and maintained responsive web applications using HTML5, CSS3, JavaScript, and React.js.
 - Built reusable UI components to improve development efficiency and maintainability.
 - Developed responsive email templates compatible across major email clients.
 - Fixed browser compatibility issues and ensured consistent user experience across multiple browsers.
 - Collaborated with QA during testing and deployment.
- 01/2019 - 01/2021
Inventive IT Services
Bareilly, India
Frontend Developer
 - Developed responsive web pages using HTML5, CSS3, JavaScript, jQuery, and CSS preprocessors.
 - Worked with product owners and designers to translate business requirements into functional web interfaces.
 - Participated in bug fixing, maintenance, and enhancement of existing applications.
 - Created reusable frontend components following responsive design principles.
 - Collaborated with UI/UX designers to convert design mockups into responsive interfaces.

Projects

Healthcare Services

Technology Stack: React.js | JavaScript | Formik | Axios | REST APIs | CSS3

Responsibilities:

- Developed responsive healthcare application interfaces using React.js.
- Integrated REST APIs using Axios for dynamic data retrieval.
- Developed complex forms with Formik and implemented client-side validations.
- Collaborated with backend developers to integrate application workflows.

Global Equipment Manufacturer

Technology Stack: JavaScript | HTML5 | CSS3

Responsibilities:

- Implemented new UI features while maintaining existing application architecture.
- Improved page responsiveness and browser compatibility.
- Resolved UI defects and optimized frontend performance.

E-commerce

Technology Stack: React.js | JavaScript | Axios | CSS3

Responsibilities:

- Developed reusable React components for product listing and user interface modules, with unit and component testing using Jest and React Testing Library.
- Integrated REST APIs for product data retrieval and order workflows.
- Implemented responsive layouts to provide seamless shopping experience across devices.
- Optimized UI rendering and frontend performance.
- Collaborated with QA and backend teams throughout the software development lifecycle.

Healthcare & Life Sciences

Technology Stack: Adobe Experience Manager (AEM) | HTML5 | CSS3 | LESS | JavaScript | jQuery

Responsibilities:

- Developed responsive frontend components within Adobe Experience Manager (AEM).
- Worked closely with content authors and backend developers to deliver CMS-driven web pages.
- Improved maintainability by following AEM frontend development best practices.

Education

Bareilly 08/2022	M.C.A. 72.3% A.K.T.U., Lucknow
Bareilly 07/2018	B.C.A. 65.1% M.J.P.R.U., Bareilly

Accomplishments & Certifications

- Infosys Certified - Generative AI Landscape
- Infosys Certified - Prompt Engineering
- Infosys Certified - AI-first Software Engineering
